CUSTOM BOATS

38' Cruiser

Specifications

(Twin or Triple outboard Powered)

Specifications

- Length: 38'6" (Bow to swim grid)
- Maximum Beam: 11'4" or 12' optional
- Weight: Approx. 19,500 lbs. (full tanks)
- Fuel: 400 US gal/ 1514 liters/333 imp gal
- Water: 70 US gal/ 287 liters/60 imp gal/
- Waste Holding Tank: 28 US gal/ 105 liters/22 imp gal/
- Accommodations: Seating for 6-7 / Sleeping for 6

Performance (Triple 300's)

- Cruise Speed: 28 Kts @4200
 - Max Speed: 42 kts
 - Range: 330 N.MI
- * Full of fuel, and water 3 person performance subject to change

EagleCraft Difference

Construction

- Custom, high quality, commercial grade construction with heavy gauge aluminum construction methods
 - Each Welder/Fabricator is Canadian Welding Bureau certified in aluminum welding
 - Constructed to ABYC standards (where applicable)

Bespoke Experience

- Custom designed to meet your needs with our "in house" design team
 - Designed to be the ultimate cruiser, fishing machine or multi purpose adventure vessel unique to you
 - Your choice of finishes, colors, and equipment
 - Experience of working with our dedicated and skilled team to create and build your ultimate vessel

Design

- Shares design heritage with our regarded commercial vessel designs with safety, performance, strength, & durability in mind
 - Several layout options available all with centerline queen size berth with separate shower and head
 - 2nd berth layouts available
 - Excellent and predictable seakeeping characteristics with exceptional performance
 - Designed for twin / triple outboards or twin diesel stern drive with SeaKeeper and generator available
 - Sound mitigation and insulation materials used throughout for enhanced interior environment
 - Diesel Hydronic heat system with defrost system and hot water capability

EagleCraft 38' Cruiser (Outboards)

Base Platform Specifications

Hull & Superstructure

- 38'6" LOA x 11'4" beam hull. Fabricated with 1/4" 5086 alloy bottom & side plate, polyurethane foam flotation, 7 welded cleats
- Deep transverse frames every 18" to 24" welded at every longitudinal stringer & gunwale
- Keel doubler 1/4" 2" x 2" angle welded on full length of keel
- Soundproof hull with acoustic materials cuddy cabin and under main cabin sole.
- Log skegs
- Forward leaning cabin. Includes insulation with laminate paneling with wood trim, paint on aluminum surfaces.
- Commercial grade marine windows- 3 sliding
- High Profile Cuddy Cabin
- 400 US Gal/ 1515 Liter/ 333 Imp Gal Aluminum Fuel tank
